FOREWORD

Throughout its 157-year history in Hong Kong, HSBC has worked to support and assist the most vulnerable members of our society and to help build strong communities.

We want to play our part in making Hong Kong a more resilient, prosperous, and sustainable home for everyone.

Giving Back: Our Community Stories 2022 is designed to give an overview of the current work of The Hongkong Bank Foundation. HSBC created the Foundation in 1981 to bring together our community initiatives under one umbrella. Since then, the Foundation has distributed more than HKD2.4 billion to more than 10,000 projects and helped over 7 million beneficiaries.

Although many of our projects are aimed at alleviating immediate hardships, our vision is at heart forward-looking. It is about creating a better future for Hong Kong.

We are doing this by focusing on four main areas, helping: young people gain future skills; the elderly and underprivileged overcome their immediate challenges and fulfil their dreams; those worst-affected by the COVID-19 pandemic recover their health and financial well-being; and Hong Kong on its journey to net zero.

- We have chosen to focus on the **youth** because they are our future. We believe it is important to nurture the next generation and support them in acquiring the skills that will enable them to prosper and play a fulfilling role in business and in the society.
- We firmly believe that the fabric of society is only as strong as its most vulnerable members. The **elderly** – the generation that built Hong Kong into the powerhouse it is today – deserve our respect and a chance to pass on their hard-earned wisdom to the next generations, as well as to lead a comfortable and honoured retirement.
- COVID-19 has challenged our society and economy, hitting those most **vulnerable** the hardest. We launched programmes aimed specifically to support the underprivileged elderly, the disabled, and the unemployed in city.

We also do recognise that Hong Kong shares one of the biggest challenges facing the world today: delivering increased prosperity with decreased emissions. Alongside HSBC's goal of making its operations carbon-neutral by 2030, we are supporting the collaboration among the business community in Hong Kong to find green solutions, working directly with community partners to preserve the territory's biodiversity.

The most valuable asset of Hong Kong is its people, and as you will read in this booklet, The Hongkong Bank Foundation has been dedicating its resources towards building a better Hong Kong for everyone.

Thank you!

序言

滙豐植根香港157年，一直與社區互相支持，透過關愛社群、為社區注入正能量，推動更繁榮和可持續發展的香港。

《我們回饋社區的故事2022》希望向各位介紹滙豐銀行慈善基金的工作。滙豐於1981年創立滙豐銀行慈善基金，旨在更積極發展我們的公益慈善事業，加強與各社福機構、受惠者，以及員工合作。自此，慈善基金已投入超過24億港元、合共支持超過1萬個項目，受惠人數超過700萬。

我們希望透過支持不同項目紓解民困，改善市民的生活，迎接更美好的未來，而這正是我們的核心願景。

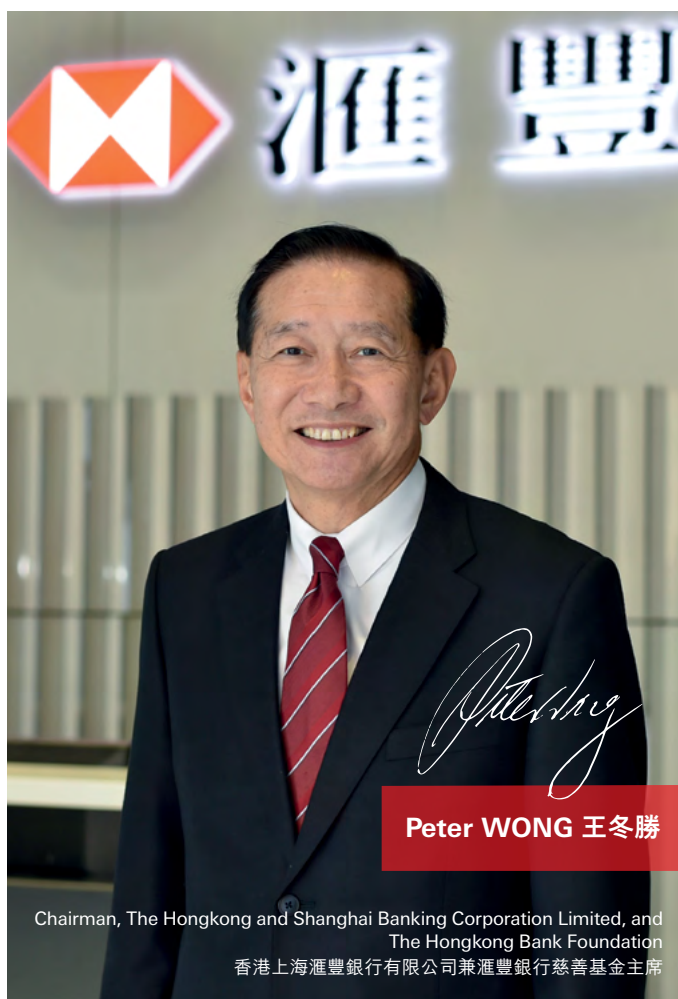

目前，我們的工作可以分為四方面：幫助年青人裝備自己，發展未來技能；幫助長者及弱勢社群應對當前的挑戰，實現夢想；幫助受新型冠狀病毒疫情影響的市民，提升身心健康；以及推動香港實現淨零碳排放。

- 我們集中幫助年青人，因為他們是社會的未來。我們認為，應當積極培育下一代，助他們增值自我、發展所需的技能，無論日後擔任哪個崗位，都能夠貢獻社會。
- 同時，我們深信，關顧弱勢社群，是構建和諧社會的重要元素。香港今天的成功，有賴上一代的努力，因此，當我們傳承長者的智慧，亦希望讓他們享受舒適和快樂的退休生活。
- 新型冠狀病毒疫情對我們的社區及經濟構成重重挑戰，弱勢社群更是首當其衝。為此，我們推出多項針對長者、傷健人士及失業人士的項目。

香港與全球一樣，都面對氣候變化帶來的挑戰，必須在推動經濟和社會發展的同時，減少碳排放。滙豐目標於2030年或之前，透過在營運和供應鏈方面減少碳排放，成為淨零碳排放銀行，並於2050年或之前將融資組合達致淨零碳排放。與此同時，我們積極推動商界協作，並與社區夥伴攜手，在邁向淨零碳排放的過程中，尋找綠色解決方案。

滙豐銀行慈善基金會繼續投入資源，與社區並肩、與大家同行，合力構建更美好的香港。

多謝！

SERVING THE COMMUNITY

Thank you for taking the time to read this booklet.

As one of the largest charitable foundations in Hong Kong's business community, we are proud of the work that The Hongkong Bank Foundation and the thousands of HSBC Volunteers do for the Hong Kong community.

HSBC was founded in Hong Kong in 1865 and since then has shared triumphs and tribulations of the community we serve. We seek to repay some measure of the loyalty the community has shown to us through the Foundation and the projects it supports.

HSBC both serves the Hong Kong community and is part of it. Our 20,000 Hong Kong colleagues combine their daytime jobs supporting customers and the business sector with a personal commitment to improving the lives of the most vulnerable members of our society.

Despite the limitations imposed during the fight against COVID-19, HSBC staff continue to volunteer themselves to programmes supported by The Hongkong Bank Foundation.

Hong Kong is an integral part of HSBC's DNA, and our long connection has defined our business as a bridge between East and West. Our success in opening up a world of opportunity for our customers and the broader community is in large part due to the quality and entrepreneurial spirit of the people we have been able to recruit and retain in Hong Kong.

We believe that a community cannot succeed if its most vulnerable members are left behind and helping them makes the whole of society stronger and better able to embrace the opportunities of tomorrow.

I would like to take this opportunity to thank my colleagues and our community partners for their help in making Hong Kong a better place for us all.

Thank you!

服務社區

感謝您閱讀《我們回饋社區的故事2022》，了解更多滙豐銀行慈善基金的工作。

滙豐銀行慈善基金已發展成本港規模最大、由商業機構營運的慈善基金之一，這全賴各同事，包括滙豐義工的努力，他們的付出，令我感到非常自豪。

157年前，滙豐在香港成立。多年來，我們與香港社區和企業一起成長，是社區的一部分。因此，我們時常緊記要回饋社區，甚至成立滙豐銀行慈善基金，更有系統地統籌相關的項目。

全體滙豐香港約20,000名同事，一直努力服務客戶、助企業拓展業務，而他們在工餘時間，亦積極服務社會、幫助弱勢社群。

儘管在新型冠狀病毒疫情期間，受到社交距離等各方面限制，滙豐員工仍然積極參與由滙豐銀行慈善基金支持的各個項目。

香港是滙豐不可或缺的一部分，自成立以來，我們與香港結下不解之緣，更讓我們成為連接東西方的橋樑。我們能夠成功為客戶開拓機遇、在社區開展公益慈善項目，很大程度上可歸功於滙豐能夠在香港羅致多元人才。

我們相信，要凝聚香港的正能量，必須繼續推動關愛共融，包括支援弱勢社群。

本人謹此，向各位同事，以及各合作夥伴致謝。感謝大家多年來的努力，讓這個國際城市繼續閃亮全球。

About The Hongkong Bank Foundation

We believe a society is only as strong as its weakest members. The Hongkong Bank Foundation was founded in 1981 to channel HSBC's support to the most vulnerable members of the community.

Over the years, we have supported more than **10,000 philanthropic projects** and distributed more than **HKD2.4 billion** in grants focused on fostering innovative ideas, solving environmental issues, and enabling progress in the city's underserved communities.

Drawing on our unique expertise, capabilities, breadth, and perspective, we want to be at the forefront of addressing the many challenges faced by Hong Kong's quickly ageing population; in building the future-readiness of our next generation; and in supporting Hong Kong to transition to a net zero, low carbon economy.

The Foundation has a long-term focus on funding projects in three main areas:

 Care for the elderly 關愛長者	 Support youth 裝備青少年	 Support the transition to net zero 實現淨零碳排放
<p>Elderly living in poverty and isolation, with disabilities and chronic medical needs, by supporting their well-being and increasing their ability to adapt to the changing world by helping build their resilience.</p> <p>生活貧困、獨居、傷健及有長期醫療需要的長者，提升他們的身心健康，以及適應外圍環境不斷變化的能力。</p>	<p>Help young people acquire the skills they need to make a prosperous future for themselves and for Hong Kong, including training for disadvantaged youth and scholarships for university students to study abroad, creating a future-ready talent pool for Hong Kong and the rest of the Greater Bay Area (GBA).</p> <p>幫助年青人裝備自己，迎接未來的挑戰，包括透過獎學金計劃，支持本港年青到海外擴闊視野，從而豐富香港及粵港澳大灣區其他城市的人才庫。</p>	<p>Climate and environment for the wider community, by supporting Hong Kong's transition to net zero.</p> <p>關注氣候及環境，推動香港邁向淨零碳排放。</p>

We are also providing substantial funding and offering our resources to help Hong Kong's most vulnerable and worst affected to recover from the impacts of COVID-19.

正值香港面對新冠病毒疫情的衝擊，我們加強支援長者和弱勢社群，幫助社區恢復元氣，逐步走出疫情的陰霾。

關於滙豐銀行慈善基金

我們相信，推動關愛共融，是構建和諧社區的重要一環。滙豐銀行慈善基金於1981年成立，旨在更積極發展我們的公益慈善事業，加強與各社福機構、受惠者，以及員工合作。多年來，我們已支持超過**10,000個慈善項目**，投入超過**24億港元**。

憑藉多年在香港的經驗、專業知識及廣大的網絡，我們希望擔當牽頭的角色，協助解決香港人口快速老齡化所帶來的挑戰，協助下一代裝備自己、迎接未來，以及支持香港邁向淨零碳排放、低碳經濟轉型。

The programme has reached some **7 million** beneficiaries with more than **1,400** projects and provided opportunities for volunteers to serve their communities in the last decade.

The programme connects volunteers with activities ranging from helping disadvantaged communities rebuild and recover from the impacts of COVID-19, to promoting sustainability and enhancing social inclusion. It also connects the general public through the annual HSBC Hong Kong Community Festival.

Volunteering

1 MILLION HSBC STAFF VOLUNTEER HOURS

The HSBC Volunteers Scheme (formerly known as Wayfoong Volunteers Scheme) was officially established in 1993. To date, HSBC Volunteers have contributed over one million hours to serve disadvantaged communities, mentor young people and respond to environmental issues. Volunteering has become a core element of the Bank's charitable work. With the spirit and heart to serve, our volunteers have made positive change by giving back to the community.

"Share Your Dreams" volunteering programme is a recent initiative. Started in September 2021, the project aims to enhance the physical and mental well-being of the elderly and children with disabilities or rare diseases.

Over 200 HSBC Volunteers have led the project to help these vulnerable groups.

In 2022, HSBC Volunteers helped Hong Kong's underprivileged elderly people and those with disabilities to get vaccinations through the Door-to-Door Vaccination Programme.

Also, over 300 employees have registered as mentors for the Strive and Rise Programme launched by the HKSAR Government, where they will participate in a series of activities designed for Secondary One to Secondary Three students from underprivileged families, particularly those living in subdivided units.

滙豐義工突破百萬服務時數

滙豐義工隊自1993年成立至今，累計服務時數超過100萬小時。多年來，我們的員工積極幫助社區有需要人士，指導年青人發揮潛能，參與保育活動。滙豐義工積極貢獻社區，不斷注入正能量。

「築夢同行」義工計劃於2021年9月啟動，旨在提升傷健或患有罕見病的長者及兒童的身心健康。我們招募**超過200名滙豐義工**，經過相關培訓後，以小組形式行善。

2022年，滙豐義工透過「疫苗易」家居接種計劃，攜手幫助長者和傷健人士接種新冠疫苗。

年內，超過300名員工報名參加由特區政府舉辦的「共創明Teen」計劃，希望成為義務友師，他們將會參與一系列為來自弱勢社群家庭的中一至中三學生而設的活動。

"I believe it is a blessing to give rather than to take, and that there are things that I can do to contribute to a better world. Over the years, I have focused on caring and offering support to the elderly and underprivileged so that they know they are not alone. I've also been sharing my experiences with young students to help their future development. By helping others through volunteering activities, I have a better understanding of the needs of others, with increased compassion and the skills to help more people."

「我相信施比受更有福，我們應該對這個世界作出一些貢獻。多年來，我一直注重關愛和支援長者及弱勢社群，讓他們感到自己並不孤單。我亦樂於與年青人分享經驗，幫助他們的未來發展。透過參與全方位的義工活動，我能夠更加了解其他人的需求，更懂得關愛別人，當然，過程中，自己如何幫助他人的技能亦有所提升。」

HSBC Volunteer: May HO (right)
滙豐義工：何吳美華 (右)

"It has been a really difficult time these last few years with COVID-19. I joined the Door-to-Door Vaccination Programme because this was a great opportunity to give back to the community during a time when people were suffering. I feel privileged to help in the vaccination efforts. I will definitely recommend my colleagues to join us in the volunteering programme. It doesn't take a lot of time and effort on our part, but it benefits the Hong Kong local community enormously."

「過去幾年，新型冠狀病毒疫情讓我們經歷一段艱難時期。我參加了『疫苗易』家居接種計劃，皆因這是一個在艱難時期下回饋社區的理想機會。我非常榮幸能夠為這個有意義的計劃出一分力。我一定會推薦同事和我一起參加義工活動。這並不需要我們投入大量時間和精力，然而，對香港社區卻有很大裨益。」

HSBC Volunteer: Phoebe LO
滙豐義工：羅海寧

"It has been a while since I last actively participated in volunteering events and since moving to Hong Kong I felt somewhat disconnected with society at large. I've participated in volunteering events as a way of changing my perspective, immersing myself in specific projects and connecting with our vibrant and diverse community here in Hong Kong. Through HSBC programmes such as 'Share Your Dreams' I've focused on practical ways of helping our beneficiaries knowing that we have limited time to assist them. It's been a truly rewarding experience, challenging at times especially when a number of different groups are involved but always with a great sense of achievement."

「來港之前，我已經有段時間沒有參與義工活動。直至來港工作後，初到貴境，總覺得與這個城市缺乏連繫，於是我重申投入義務工作，藉此融入社區，感受這個多元化和有活力的城市。透過『築夢同行』義工計劃，我學懂在有限的時間內，如何集中幫助有需要的人士。這是個非常值得、且難能可貴的經驗，雖然過程中有不同挑戰，但我們終於做到，有很大成功感。」

"I have been participating as an HSBC volunteer since 2007. It has been a precious learning experience for me to understand more about Hong Kong and people living in different situations, and about how to use my own capabilities to help those in need with love, encouragement, and a positive mindset. Over the years, I have joined a variety of volunteering activities, from teaching at rural schools in China to supporting the elderly and children with rare diseases through the 'Share Your Dreams' volunteering programme. It has been a rewarding journey that has helped me grow and become more positive, and I would encourage everyone to join a volunteering programme for their own benefit and for the benefit of our community."

「我從2007年開始參加滙豐的義工活動。這是一次寶貴的學習經歷，讓我更了解香港和不同處境的人士，以及如何運用自己的能力，憑藉關愛、鼓勵和積極的心態，幫助有需要的人士。多年來，我曾參與各種各樣的義工活動，例如在內地農村學校任教，以及透過『築夢同行』義工計劃，支持長者及患有罕見疾病的兒童。這是一個非常有意義的旅程，助我成長並變得更加積極，進而促使我鼓勵身邊的人一同參與義工活動。」

SUPPORTING THE COMMUNITY

為社區提供支援

Together we overcome the challenges posed by the pandemic

Since the start of the pandemic, we have been helping the community to mitigate the financial, mental, and physical toll it has taken on our society. In total, HSBC has made more than **HKD170 million** in charitable donations to the Hong Kong community, while also providing financial relief for individual and business customers. In 2022, we stepped up our efforts with an extra donation to **help the most vulnerable and those in need**.

並肩同行 共同抗疫

自新型冠狀病毒疫情爆發之初，我們已承諾會支持新型冠狀病毒抗疫工作，幫助社區減輕疫情對社會造成的財政及身心負擔。滙豐已合共向香港社會捐出超過**1.7億港元**，同時為個人及商業客戶提供財政援助。為應對2022年的第五波疫情，我們加倍努力，**幫助弱勢及有需要的人士**。

THE DOOR-TO-DOOR VACCINATION & EMERGENCY SUPPORT PROGRAMMES (THE HONG KONG COUNCIL OF SOCIAL SERVICE)

The fifth wave of COVID-19 had a major impact on Hong Kong and took a heavy toll on our seniors.

Through the outreach of our partner NGOs and medical professionals, the Door-to-Door Vaccination Programme enabled elderly and those with limited mobility to have their COVID-19 vaccinations at home. We brought together more than 200 doctors, 400 nurses and 400 care ambassadors who formed outreach teams to make over 9,000 home vaccination visits.

We also supported residential care homes with additional manpower, services, and supplies for them to provide intensive caring duties for elderly and people with disabilities through the Emergency Support Programme. It addressed the urgent needs of single elderly, those with disabilities and marginalised communities. We supported more than 260 residential care homes and 220 community-based service units, benefiting over 154,000 individuals.

「疫苗易」家居接種計劃及「抗疫物資緊急支援計劃」 (香港社會服務聯會)

新型冠狀病毒第五波疫情對香港帶來重大衝擊，而長者更是深受影響。

透過與社福機構和醫療專業人員組成的外展團隊合作，「疫苗易」家居接種計劃安排醫護人員上門，為居家、行動不便的長者和傷健人士接種新冠疫苗。至今已透過該計劃，募集超過200名醫生、400名護士及400名關懷大使，家訪超過9,000名長者和殘疾人士為他們接種新冠疫苗。

與此同時，我們透過「抗疫物資緊急支援計劃」，向長者及傷健人士院舍提供額外的人手、服務及物資。該計劃解決了獨居長者、傷健人士及其他弱勢社群的迫切需要。我們為超過260個院舍及220個社區服務單位提供支援，惠及超過154,000人。

“Participating in the outreach vaccination service allows me to contribute and to protect the remote areas and minority communities. I believe acquiring a high vaccination rate is the key to achieving herd immunity and to winning the battle against COVID-19 in Hong Kong.”

「透過參與外展疫苗接種服務，我亦能夠為保護偏遠地區及少數族裔社區出一份力。我相信，提高疫苗接種率是香港實現群體免疫和打贏抗疫戰的關鍵。」

HONG KONG RED CROSS COVID-19 SUPPORT HOTLINE

Operated by experienced professionals and volunteers, the hotline provided much-needed health-related information and psychological support to the community at the height of the fifth wave. The hotline handled over 11,400 calls and delivered care packages with healthcare items or food to over 9,500 people.

“I am a single mother caring for two children and two elderly. When my daughter with a chronic disease was diagnosed with COVID-19, I panicked because I was running out of supplies. 「我是一位單親媽媽，需要照顧兩名兒童和兩名長者。當我患有慢性病的女兒確診感染新型冠狀病毒時，我驚惶失措，因為我的物資快要消耗殆盡。可幸的是，當我致電香港紅十字會抗疫同行熱線時，他們安撫我，幫助我走出絕望，並迅速提供相關物資。」

SUPPORTING THE COMMUNITY 為社區提供支援

A community is only as strong as its weakest members

We support **the elderly and underprivileged** who live in poverty and isolation, especially those with disabilities and chronic medical needs. We do this by providing assistance that helps them become more resilient and improve their well-being and helps them adapt to the world's many challenges.

關愛弱勢社群 加強社區凝聚力

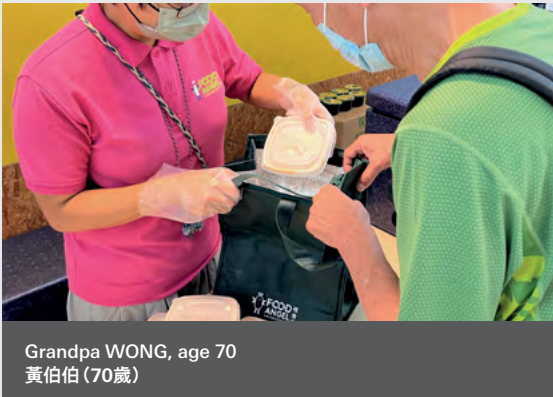

我們支持生活貧困、獨居、傷健及有長期醫療需要的長者和弱勢社群。我們提供援助，協助他們提升抵禦逆境的能力和身心健康，讓他們能夠應對生活上各種挑戰。

HARVEST MILL (FOOD ANGEL)

Through the programme, we aim to provide meals for the elderly and underprivileged and to reduce food waste. In an exemplary case of social innovation for Hong Kong under COVID-19, the programme has adopted cook-chill technology to create frozen meals with a five-day shelf life. Cook-chill meals have become an important safety net for many elders and families in need. More than 5.2 million cook-chill meals were served between 2019 and 2022. Five community school canteens were also established to distribute meals to elderly and underprivileged families.

豐膳坊 (惜食堂)

我們旨在透過該計劃，為長者和弱勢社群提供餐膳並減少食物浪費。該計劃採用「速凍」技術，以製作五天保質期的冷凍餐膳。這亦為許多長者和有需要的家庭構建重要安全網。2019年至2022年間，我們提供超過520萬份速凍餐膳，成為新型冠狀病毒疫情下香港社會創新的典範。我們亦設立五個社區學校食堂，向長者和弱勢家庭分發餐膳。

"I have been diagnosed with cancer and am living in hardship. I am grateful for Food Angel's cook-chill meal service as I can enjoy free nutritious food with an extended shelf life that offers great flexibility."

「我是一位癌症病人，生活困苦。我非常感謝惜食堂提供『速凍』餐膳服務，令我能夠享用免費的營養食品，這些食品可保存較長時間，且取餐方式較具彈性。」

GOODS-CO (ST. JAMES' SETTLEMENT)

GOODS-CO is a one-stop resources matching online platform which enables users to share and receive second-hand goods through its mobile application anytime, anywhere. It promotes reuse of resources in the community by giving unwanted items a second life. To support the elderly and underprivileged, especially low-income families, the platform provides them with delivery service, training, and job opportunities. Between 2022 and 2025, the programme also aims to save more than 10,000 reusable items from being sent to landfills.

"The GOODS-CO mobile app helps the centre to find free goods for our service users. It is convenient, easy to use, and hassle-free. GOODS-CO also provides logistical support to the centre and service users, which alleviates their financial burden, and we can transfer more resources to other services so as to create greater impact."

「GOODS-CO流動應用程式幫助本中心為我們的服務用戶尋找免費物品，使用簡單方便，而且非常暢順。GOODS-CO亦為本中心及服務用戶提供後勤支持，減輕其財務負擔，令我們能夠將更多資源用於其他服務，從而創造更多價值。」

HONG KONG'S FIRST GREEN REHABILITATION BUS PILOT SCHEME (THE CONSERVANCY ASSOCIATION)

The pilot scheme is a demonstration project to help Hong Kong NGOs switch to electric vehicles when they provide transport services for people with disabilities or mobility difficulties. Seven local NGOs have been selected to participate in the three-year pilot scheme, with each receiving an electric bus – a Green Rehabus. From the experience of this pilot scheme, a comprehensive guide will be prepared for other NGOs looking to switch to electric buses. In addition, an impact financing guidance tool will be developed to help NGOs gain access to financing for greening their fleets. The pilot scheme is part of the HSBC Climate Solutions Partnership which combines the Bank's financial and commercial expertise with the insights of NGO partners to deliver new climate solutions into reality.

全港首個「綠色復康巴士先導計劃」(長春社)

先導計劃幫助香港社福機構轉用電動車，為傷健人士或行動不便的人士提供交通服務。七個本地社會福利機構獲選參與為期三年的先導計劃。每家機構將接收一輛電動巴士——一輛節能的綠色復康巴士。根據先導計劃的經驗，我們將為其他希望改用電動復康巴士的社福機構編製一份綜合指引。此外，我們亦將開發融資指南，以幫助社福機構為車隊綠化獲得融資。先導計劃是「滙豐氣候解決方案夥伴計劃」的其中一部分。夥伴計劃旨在結合滙豐在金融和商業領域的專長，以及社福機構的經驗，實踐創新的氣候解決方案。

"The Federation is honoured to be one of the organisations supporting the pilot scheme, which will definitely bring forward a win-win situation for the good of the environment as well as the benefit of those with disabilities."

「協會很榮幸成為先導計劃的支持組織之一。先導計劃必將帶來雙贏，既能福澤環境，又可造福傷健人士。」
