HSBC WARNS AGAINST PHISHING LEAFLETS

The Hongkong and Shanghai Banking Corporation Limited would like to alert its customers to a phishing leaflet purported to be issued by HSBC Asset Management.

HSBC would like to remind its customers that it has no connection with the phishing leaflet or any party mentioned in the leaflet.

Customers are advised not to open any link or QR code in the leaflet and not to disclose any sensitive personal information, or download unsafe mobile applications that are not from verified developers or trusted channels. The public should always safe-keep their personal log-in details.

HSBC reiterated that it will not send SMS or email messages with embedded hyperlinks directing customers to its websites or mobile applications, or request for sensitive personal information to be shared through hyperlinks.

Below is the image of phishing leaflet:

¹ Customers are reminded to ensure they are connected to a valid HSBC website. The Bank's Hong Kong domain is <http://www.hsbc.com.hk> and the official website of HSBC asset management is <https://www.assetmanagement.hsbc.com.hk/en>.

Customers should access banking services by keying in the website address at the address bar of the browser.

If customers have any doubts or concerns, they should call the HSBC Personal Customer service hotline at 2233 3000 and/ or report to the Police.
