HSBC WARNS AGAINST PHISHING WEBSITE

Hong Kong, 27 October 2026 – The Hongkong and Shanghai Banking Corporation Limited would like to alert customers to a phishing website falsely claiming to be associated with HSBC. Customers' login credentials, passwords or other personal information could be captured if they sign in to the website.

A screenshot and the URL of the phishing website are shown below:

HSBC reminds customers that it has no connection to the phishing website. Customers should not enter sensitive personal infomation, chat with anyone, or open any links on the webpage. Similar phishing attempts may recur.

HSBC reiterates that it will not send SMS or email messages with embedded links which direct customers to HSBC's websites or mobile apps for account login, banking transactions, or submitting sensitive personal information and credit card details.

Customers are reminded to ensure they are connected to a valid HSBC site. The Bank's Hong Kong domain is https://www.hsbc.com.hk. Customers should access banking services by typing this address into the browser search bar.

If customers are concerned, they should call the HSBC Personal Customer service hotline at 2233 3000 and report to the Police. "Scameter", the government's scam and pitfall search engine, is also available to help identify potential frauds.
