HSBC WARNS AGAINST PHISHING SMS AND FRAUDULENT WEBSITES

The Hongkong and Shanghai Banking Corporation Limited would like to alert its customers to phishing SMS and fraudulent websites which purported to be from HSBC.

The phishing SMS suggests that recipients may have added a new payee. If they haven't, they should click a link (<https://hs-secure-host.com> or <https://hk-hsbc-cancel.com/sechk>).

HSBC would like to remind its customers that it has no connection with the phishing SMS and fraudulent websites. Customers are advised not to click any link in the SMS or provide the website with any personal information, although one of the links (<https://hk-hsbc-cancel.com/sechk>) is currently shown as unavailable.

Below is the screen captures of the phishing SMS and fraudulent website:
