**Notes to editors:**

With a face value of HKD150, HSBC issues the HSBC150th Anniversary Banknote to commemorate its founding in Hong Kong 150 years ago. Net proceeds from the sale will be donated to local charities, The Community Chest of Hong Kong and The Hongkong Bank Foundation, to benefit the community.

The banknote design seeks to underscore HSBC's long and close relationship with Hong Kong in the past century and a half, and the strengths the Bank both contributed to and received from it.

Sharing the same size as the 2010 series HKD500 notes, it incorporates major security features such as an iridescent pattern, enhanced watermark, fluorescent see-through pattern and colour-changing windowed metallic thread. It is legal tender in Hong Kong though not intended for general circulation.
