### Security tips

1. Install virus detection software and personal firewall on your computer. This software needs to be updated regularly to ensure you have the latest protection.
2. To prevent viruses or other unwanted problems, do not open attachments from unknown or non-trustworthy sources. If you wish to validate our email address please contact your local Global Trade and Receivables Finance office.
3. If you discover any unusual activity, please contact your HSBC Global Trade and Receivables Finance representative as soon as possible.

\*\*\*\*\*

This e-mail is confidential. It may also be legally privileged.

If you are not the addressee you may not copy, forward, disclose or use any part of it. If you have received this message in error, please delete it and all copies from your system and notify the sender immediately by return e-mail.

Internet communications cannot be guaranteed to be timely, secure, error or virus-free. The sender does not accept liability for any errors or omissions.
